Please provide a mini bio. We are hoping to produce a mini pamphlet that each person attending will get after the reunion is over. Here are a few ideas; native Pagrovian, favorite teacher, best friend, worse memory, best memory, favorite burger joint, favorite summer memory, address and phone # when in high school, who are you still in touch with from school. After high school, what was your main career, how many kids, how many grand-kids, great-grand-kids, places you have traveled to, major events in your life and anything you can think of and would like to share.

Don't be shy if you need to use more paper! We want to hear about your life in and after PGHS.
